GRANGER STATEMENT ON SUPPORTING MCHENRY FOR WHIP

WASHINGTON, DC – Congresswoman Kay Granger (TX-12) today released the following statement in support of Congressman Steve Scalise (LA-1) for Majority Leader:

"I am pleased to offer my support to Congressman Steve Scalise for Majority Leader. In Congress, my primary focus is to make sure our service men and women in uniform have the resources they need to keep our country safe. These are dangerous times; our allies need to trust us and our enemies must fear us.

"Congressman Scalise shares my belief in the importance of a strong and engaged America. Under his leadership, I am confident that national defense will be a top priority."
